

Spring is almost here and of course excitement is still in the air over the new waterpark that will be ready this time next year. In addition to that excitement, the City of Corsicana is sponsoring six events this summer for all citizens. The events will be called Second Saturday Event Series and will include live music, vendors, contests, and activities for the children. I have included a brochure for your information. Please contact Steve at the Visitors Center at 903-654-4850 for information on how you can participate.

Although, a few businesses have unfortunately closed for various reasons and will certainly be missed. I see several new businesses around town and therefore, I am excited about the prospect of more new business openings that have not officially announced yet. With more competition in town for your dollar, it is so important that everyone shop and dine locally. In order for new ventures to succeed, there must be enough revenue for everyone to survive. So instead of driving out of town for dinner and movie, stay here in Corsicana, spend less gas money and save time. Support Corsicana and have a great time!

Sincerely,

Chuck McClanahan  
Mayor
