

May 5, 2015

Dear Citizens:

The **17th Annual Corsicana AirSho** hosted by the Coyote Squadron of the Commemorative Air Force will take place at the Corsicana Municipal Airport on **Saturday, May 9, 2015**. The gates will open at 9:30 a.m. and admission will be \$10 per person or \$20 per car so bring the family! Admission is free to veterans, active military personnel and their families. For more information, visit www.coyotesquadron.org.

The rain we have received has been great! Although we are all grateful for the beautiful spring, it means that the Coyote Squadron has had to come up with a new parking plan for the Saturday event.

Attendees are asked to go to the **Mildred School parking lot**. Visitors will be transported from their car directly to the visitor area on the airport ramp by buses provided by Corsicana ISD. The buses will circulate all day between the parking areas and the airport ramp, so when visitors are ready to leave the air show, they only need to get on a bus to return to their car. The Coyote Squadron is very grateful to the Mildred ISD for lending the parking lots and to the Corsicana ISD for the transportation.

Handicapped parking will be available at the airport itself and signs will direct visitors to the handicapped accessible parking.

It is going to be another great airshow this year, and I hope everyone gets a chance to come out and see it.
