RESIDENTIAL RECYCLING & WASTE COLLECTION

Recycling Collection

Recycling collection will be changing October 1, 2019. Residents wishing to have curbside recycling collection **must call** Corsicana Utility Billing at **903.654.4825** to request this service. Residents will receive a 95-gallon recycling container, and your collection schedule will be once per month. Republic Services® will let each resident know their new service date. The cost for this optional service is \$13.26 per month.

For residents choosing not to participate in the optional curbside recycling program, Republic Services will be removing their recycling containers starting the week of October 1, 2019. No action is required if you do not want to participate in the optional service.

Republic Services will also provide a Recycling Drop Center, at no charge, for residential customers only. A current water bill and identification with a matching address must be presented for access to the Center. See reverse side for acceptable recyclable items.

Please note: Recyclables will only be accepted during the hours of operation listed below. Recyclable items left outside the facility after hours create litter and will be treated as illegal dumping.
